Tirella sofa

Designer: **Paolo Grasselli**

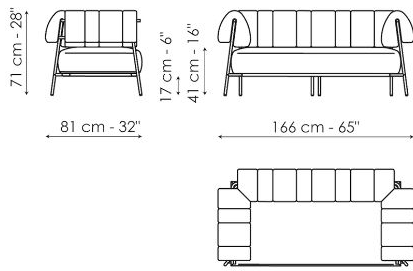

The Tirella sofa, an addition to the armchair collection, is an element with a retrò taste, inspired by the fabric samples that are laid atop a cutting table. A small modern sofa with a sophisticated silhouette in which the cushions, from simple

“extras” take on the leading role, “embracing” the metal frame around the armrests and backrest. Thanks to its small size, the Tirella sofa is suitable not only for living spaces, but is also perfect for public environments and reception areas.
