3angle collection

by GRUPA

3angle collection consists of a sofa, an armchair and a pouf. They will completely change your perspective on sofas starting from the ergonomic shape of the armrests folded in the middle, which imitate the line of a human hand in the sitting position. The accentuated crystal form of 3angle is softened with comfortable padding, creating a perfect combination of a character form and softness necessary for sitting comfort. 3angle is an excellent choice for your business lounges, and at the same time a true refuge for informal and relaxed sitting.
