Match collection

by **SANJA KNEZOVIĆ**

Match comes from a family of modular sofas, offering a large number of compositions, each adapted to a given space. Its morphology is defined by simple basic lines of a slightly lower armchair and an elevated armrest. While the cold foam fills its clear volume with firmness sufficient for comfortable seating, coating in fabrics of natural origin provides additional relaxation and comfort. Match's

dimensions go hand-in-hand with the needs of different groups of users who are able to choose between two widths and depths of the module. Due to its morphology, Match is ideal for furnishing larger spaces.
