

SQUARE 30

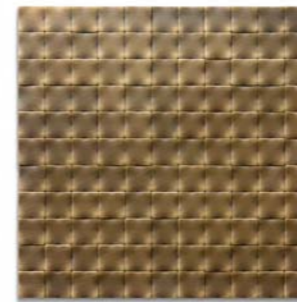

design R&D De Castelli

Piccole tessere punzonate creano Square 30, un elegante mosaico in cui la tridimensionalità unita alle finiture délabré diventa protagonista esaltando i riflessi dei materiali. Viene fornito in mattonelle idonee per l'installazione a pavimento e a parete.

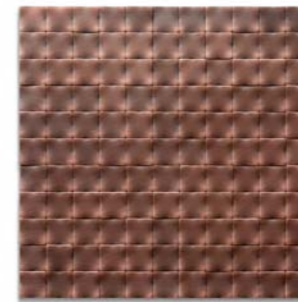

Tiny punch cutted pieces create Square 30, an elegant mosaic in which the three-dimensionality joined to délabré finishes become the protagonist, enhancing the reflections of materials. It's supplied in tiles suitable for wall or floor installation.

Ottone délabré
Délabré brass

Rame délabré
Délabré copper
