

BONALDO

Skid

Skid is an elegant sectional sofa for living rooms characterized by soft back cushions and a delicate inclination of the armrests, a characteristic that lightens the overall appearance. The lightness is further enhanced by the particular conformation of the body, that is suspended from the floor thanks to a base in painted metal, available in two different forms: straight feet or bobsleigh-shaped base. The

purity of the lines makes Skid suitable both for environments with a contemporary style and those of a more classic taste. In addition to the linear sofa, it is possible to create solutions with chaise longue or corners, combining poufs or opting for more creative compositions, meeting the widest variety of functional needs. The upholstery, in fabric or leather, is fully removable.
