PRODUCT TYPE

Hanger

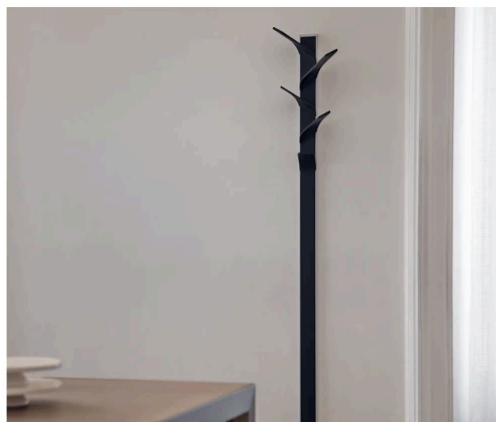

Vertical coat rack and individual wall hangers for small spaces. It is made from an extruded aluminium profile in which the hangers are housed. The hangers are made from moulded plywood board.

TIPOLOGÍA DE PRODUCTO

Perchero

Perchero vertical y colgadores individuales de pared para espacios reducidos. Se construye mediante un perfil de aluminio extrusionado en el que se alojan los colgadores. Los colgadores están realizados en tablero contrachapado y moldeado.
