

Incontro

Ce Studio

Incontro, indoor table with metal internal frame covered with rigid polystyrene, wood fibre top with hand-trowelled black lava dust finish. Also available with hand-trowelled grey cement powder finish.

Special Edition

Top and base made of metal which is worked with a metal lathe. Fine finishing by Da a: an old and natural technique of the manual application of brass and bronze.

Ø — 160 cm
H — 73 cm
