

Benna Double

Lorenzo Damiani

Benna system, indoor - outdoor curved metal sheet benches. The benches' curl allows the insertion of pipes in order to link together benches, stools and bolsters, so as to create modular furniture solutions on the basis of the need. Benches and stools can also be settled as independent units. Pictured with black 7021 finish. Also available with dove grey 7039, light blue 5023, white 9016, green 2100 and red 3004 finish.
