

# BONALDO

## Frinfri, Frinfri Wood

Designer: **Dondoli and Pocci**

An expressive onomatopoeia that recalls the sounds of cicadas: this is the image that inspired the line of coffee tables by Bonaldo. The geometric, slender and rounded design of the structure makes them lightweight, while a game of balances between sharp corners and rounded angles supports a practical removable tray, an element that can be further embellished with an elegant ceramic top. In the single material version, the effect is of essential elegance and

functionality; in the version with the ceramic top, the contrast between the two materials adds further character. Frinfri modern round wooden coffee tables are available in three different heights and all models are available in multiple colour variants, thus making it possible to choose the one that is most suitable to individual stylistic needs. The Frinfri modern wood coffee table variant features a wooden top and is available in two sizes (high and medium).
