PRODUCT TYPE

Sofa

The Sena family, designed by Christophe Pillet, has been extended with the addition of the sofa. A new piece that continues with the characteristic curves and elegant lines of the collection. It stands out for its flexibility and freedom when it comes to creating compositions that adapt to any environment, from homes or hotels to offices, thanks to its different modules that can be combined together. Likewise, the possibility of combining different upholsteries accentuates the quality and sophistication of the design.

TIPOLOGÍA DE PRODUCTO

Sofá

La familia Sena, diseñada por Christophe Pillet, se amplía con la incorporación del sofá. Una nueva pieza que continúa con las características curvas y líneas elegantes de la colección. Destaca por su flexibilidad y libertad a la hora de crear composiciones que se adapten a cualquier entorno, desde viviendas u hoteles hasta oficinas, gracias a sus diferentes módulos combinables entre sí. Asimismo la posibilidad de conjugar diferentes tapizados acentúa la calidad y sofisticación del diseño.
